

Does your flying club offer you a discount on fuel? Introducing an SFC-member discount on fuel services

How about a fantastic deal to kick-start your aviation year?

In an exclusive arrangement with SFC's preferred fuel supplier World Fuel Services Australia (WFS) SFC members can now secure a fuel discount when refuelling **their own aircraft** at Bankstown and approximately 18 other airports Australia-wide.

What is the discount?

SFC members will save:

- 12 cents per litre off the World Fuel Services published posted airport price of Avgas
- 15 cents per litre off the World Fuel Services published posted airport price of Jet-A1

Where and when can I get this discount?

At the time of writing WFS owns and operates fuel facilities at Albury, Bankstown, Burnie Wynyard, Carnarvon, Coffs Harbour, Essendon, Geraldton, Griffith, Groote Eylandt, Hervey Bay, Learmonth, Lismore, Mildura, Moorabbin, Normanton, Port Lincoln, Wagga Wagga and Moruya. View the current list of WFS sites on the WFS website.

As per the current exclusive fuel arrangement SFC has entered into with WFS, an SFC member will be able to secure the fuel discount at all of these locations once you apply for and receive a WFS carnet card - refer below for WFS's card application process. WFS provides the fuel discount to SFC members through the SFC/WFS group fuel contract.

How does it work?

SFC members who are interested in registering for this service will need to either (i) have an existing fuel account with WFS or (ii) create a new account. To create a new account, please email directly to WFS at australiaquery@wfscorp.com and include your SFC membership number when applying. SFC members applying as private pilots will need to provide 100 points of ID, or an ABN/ACN if applying as a business.

Please specify on the account application with WFS that you are a SFC member in order to receive the SFC-member discount, which will be in the form of a WFS fuel card. The WFS carnet cards will be issued to you in the mail (within 5-7 business days of completing your WFS application) and linked to your registered aircraft(s). Please ensure pilots are using those WFS cards for fuel transactions to access the SFC membership discounts across WFS network of sites.

What types of SFC membership qualify?

The fuel discount is available to all current (i.e. financial) full members, outstation members and social members of SFC.

Questions?

If you have any questions about this offer or the process of redemption, please contact australiaquery@wfscorp.com or phone 03 8639 0226.
